Virginia Beach 4-H Junior Camp

July 29 – August 2, 2019

Residential 4-H camping provides opportunities not generally found at home for millions of youth each year in the United States. For many children, the fond memories that 4-H camp provides last a lifetime. 4-H camp provides a live away from home experience for boys and girls ages 9-13. It's an exciting educational opportunity for hands-on learning using the outdoor environment as a laboratory. Virginia Beach 4-H Camp is held at Airfield 4-H Center – 285 acres located 70 miles west of Virginia Beach off Route 460 in Wakefield, VA. Campers stay in climate-controlled lodges that include eight bunk beds and a private bathroom in each room. Well-trained counselors and counselors-in-training help provide supervision at all times. Campers are grouped with no more than eight (8) to a room. Professional 4-H Extension staff, adult volunteers, camp staff and resource people provide instruction for all camp classes. There is a registered nurse or EMT on staff at the 4-H Center at all times. Certified lifeguards provide swimming classes and free swims. Safety of the campers is always primary for the staff. Campers participate in morning camp classes and have various activities scheduled for the entire afternoon. Campers register for three classes for the entire week. Some examples of the more than 20 camp classes offered include: leather crafts, swimming, canoeing, fun with duct tape, fun with foods, animal science, performing arts, archery, riflery, programs (i.e., team challenges, swim Olympics, talent show) and nightly campfires are the highlight of the camp week. In short, 4-H Camp is designed to meet the needs and interests of the 4-H camper.

**** We are no longer taking roommate requests.** This is being done for a number of reasons. Inevitably, each year we are unable to accommodate everyone's request which leads to disparity and disappointment. Often requests come in that are conflicting and make for awkward situations. When requests can be accommodated it sometimes creates situations where all but one or two of the campers knows each other well and those one or two kids end up feeling left out and alienated despite staff's best efforts to integrate the room. Summer camp is a place for kids to get out of their comfort zone and interact with new people in a fun low pressure environment. Summer camp is a place for new experiences. Campers may miss out on meeting a new lifelong friend that they would not otherwise have made had it not been for them meeting them for the first time at camp in their cabin. Please allow your kids to get the full experience of camp and all the glorious benefits that come will it that will follow them for a lifetime.

The \$350.00 fee includes: lodging, meals, snacks, supplies, camp T-shirt, and transportation from the Virginia Beach 4-H Office, 2449 Princess Anne Rd. (Municipal Center, Bldg. 14), to and from camp. A \$175.00 non-refundable deposit is required with each pre-registration form.

The pre-registration deadline is May 27, 2019, or until Camp is full. Register early! DO NOT wait until the May 27th deadline. Camp fills up quickly and there may not be space when the deadline approaches. Make check or money order payable to: VCE – Virginia Beach. Cancellation Policy: Cancellations must be made in writing and received no later than June 5, 2019 to receive your payment less the \$175 non-refundable deposit. After June 5, 2019, you will receive half of the amount previously paid, less the \$175 non-refundable deposit. No refunds will be given after July 5, 2019. All refunds will be issued approximately four weeks after 4-H Junior Camp.

For more information about the Virginia Beach 4-H Camping Program or for scholarship opportunities, contact the Virginia Beach 4-H Office at (757) 385-4769, Municipal Center, Building #14, 2449 Princess Anne Road, Virginia Beach, VA 23456.

*If you are a person with a disability and desire any assistive devices, services or other accommodations to participate in this activity, please contact the Virginia Beach Extension Office at (757) 385-4769 during business hours of 8:00 a.m. and 5:00 p.m. to discuss accommodations 5 days prior to the event. *TDD number is (800) 828-1120.*
